Re: 50 Hillside Terrace Belmont, MA

Dear Belmont Planning Board:

Please accept this letter in opposition to the special permits being sought for the proposed addition to 50 Hillside Terrace as the size, scale and mass of the proposal is out of character for the neighborhood and will have a negative impact. The proposed addition significantly encroaches upon the rear set back directly impacting the surrounding properties by creating large structure just a few feet from the rear lot line. The proposed addition will create an oversized structure on an undersized lot. The allowance of such a large structure will create a bad precedent for neighborhood.

With all due respect, I request that the Planning Board deny the application.

Sincerely,
