Hi Robert,

Hope your summer is going well. I texted you but didn't hear back so trying your email now.

The Town ZBA hearing for our project- garage renovation/addition is Sept 12, Monday. They should be sending the info out shortly. But before that, we need to get signatures of support from neighbors on the design. Would you and/or Diane have some time this weekend to look through our permit drawings and sign the petition for our addition? I'm happy to bring them to you if you are in Somerville.

We need to get the signatures over to the town on Sept 6. Let me know either way, no pressure 😊.

My phone number is (857) 654-4730 if you lost my contact, or would rather text or call me.

Thanks,
Mollica
