and its programs and services**

Buy a Brick for the Patio

Honor, remember and celebrate a loved one -- a friend, someone you admired, family members -- with a brick engraved with their name, or names. The holiday season is the perfect time to express your appreciation.

The setting is the attractive brick patio with its picnic tables and chairs outside the multipurpose room at the Center. Engraved bricks are already scattered throughout the patio but there is room for many more.

Your tax-deductible purchase will become an integral part of a permanent installation. At the same time you will be making a valuable contribution toward the costs of current activities and services offered by the Beech Street Center.

To order a brick please turn to the reverse side of this sheet.

This program is sponsored by Friends of the Belmont Council on Aging.

Bricks for the Patio

Order Form

Name:

Address:

Telephone: Email:
